ANNUAL NOTIFICATION TO PARENTS

TO: All Parents

As a parent of a student who attends a school receiving Title I funds, you have a right under federal law to request information about the professional qualifications of the classroom teachers who instruct your child. The No Child Left Behind Act of 2001 gives you the right to ask for the following information about each of your child's classroom teachers:

- Whether the state has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the teacher is teaching under an emergency license or other provisional status by which state licensing criteria has been waived.
- The teacher's college major, whether the teacher has advanced degrees, and the subject of the degrees.

If you would like to receive any of this information, please contact me at 610-383-3735 ext. 61501.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Taylor', written over a horizontal line.
